

+ Natura Organic Red Wine

Pinord - D.O. Penedès

Varieties

Cabernet Sauvignon, Merlot

Elaboration

This wine has been made under the strict guidance of the CCPAE (Catalan Council of Organic Agricultural Production) and as such adheres to rigorous organic winemaking rules and regulations.

The winemaking process has been aimed at conserving all its natural characteristics. A short barrel-ageing period has given it power and structure and bottle time has helped to fine it.

Recommended Serving Temperature 18°C

Aspect

Intense violet in colour.

Aroma

Extremely intense aromas recall fruits of the forest, such as blackberries, blackcurrants or blueberries. A slight touch of roasted notes reveals its time in oak.

Taste

In the mouth it is powerful, with good body and good alcohol. It retains a large amount of fruit which mixes with the tannins to convey a sensation of strength, corroborated by a long finish in the mouth.

Food and wine pairing

Rice mountain, Mixed rice, Capon and Poularde, Deer, Cooked soups and stews and other, Quail and partridge, Rabbit and hare, Cured meats, Sirloin, Sirloin Steak,
